

Take your sustainability goals to new places.

A sustainable choice.

Scotch™ Cushion Lock™ Protective Wrap is a sustainable alternative to plastic bubble that expands, eliminating the need for additional void fill material.

- 100% curbside recyclable
- Made with 100% recycled paper

STRETCH. WRAP. PROTECT.
No scissors or tape needed.

Why?

Use up to **60% less** to fill a box vs. plastic bubble and other expanding paper wraps.*

How?

A single **1,000-ft roll of Scotch™ Cushion Lock™ Protective Wrap** expands to do the work of **2,500-ft of plastic bubble**.**

Why not other paper wraps?

Expands **1.5x thicker** than other paper wraps so you can wrap more with less.*** Provides an all-in-one solution — Cushion + Filler. Advanced Self-Locking Technology secures your item without the need for tape. Tear by hand, no need for scissors or blades.
