

Create a Healthy, Productive Home Office

A personal workspace with all the perks

Remote work is quickly becoming the new norm. That means your home office needs to be just as productive as the corporate office. With the right tools, you can create a comfortable, healthy and productive workspace... with a shorter commute.

Configure for Comfort

Your monitor position matters. Help prevent neck and eye strain by customizing your monitor height and placement on your desk.

I-SPIRE SERIES™
Laptop Lift

8049601 – Single Monitor

Hands-On Productivity

When you're more comfortable, you're more productive, especially when it comes typing and mousing. Select an adjustable keyboard tray that accurately positions your keyboard and choose a wrist support to help prevent wrist strain.

I-SPIRE SERIES™
Wrist Rocker™ and Keyboard Wrist Rocker™

- 9472901 - Mouse Pad / Wrist Rocker™
- 9473001 - Keyboard Wrist Rocker™
- 9311801 - Mouse Pad / Wrist Rocker™
- 9314601 - Keyboard Wrist Rocker™

The Active Home Office

Sitting for hours may feel productive but limited physical activity during the workday can drain your energy, morale and your performance. Go for a short walk or stretch. You can also use a standing desk in your home office to keep you moving.

LOTUS™ DX
Sit-Stand Workstation

- 8080201 - White
- 8080301 - Black

LOTUS™ VE
Sit-Stand Workstation
8080101 - Single Monitor

Maintain a Healthy Personal Workspace

It's important to keep your home office clean especially during flu outbreaks. Use a HEPA air purifier to consistently and effectively clean the air the air of viruses, germs, bacteria and other airborne pollutants.

AERAMAX®
Air Purifiers

- 9286001 - 90
- 9320701 - DX55
- 9286101 - 190
- 9320801 - DX95
- 9286201 - 290

Remote Work with Sensitive Documents

The risks of identity theft remain even when you work remotely. If you're managing confidential documents from your home office, be sure to follow your company's document destruction policy. Cross cut and micro cut paper shredders provide the highest levels of security. Find one that fits your home office.
