HOUSTON—November 9, 2011 — **Tejas Office Products is among the top 100 companies named to the 2011 Aggie 100 list honoring the fastest-growing companies in the world, owned or operated by Texas A&M University former students.**

Tejas Office Products was recognized as number 27 on this year's list with a growth rate of 44 percent. It was the only office products supplier recognized on the entire list. The Aggie 100 honors graduates from across disciplines and is a program created by the Center for New Ventures and Entrepreneurship in Texas A&M University's Mays Business School.

"We are proud to be included in the Aggie 100 list and thankful to our employees and customers for helping us reach this accomplishment," said Stephen M. Fraga, President of Tejas Office Products and a graduate of Texas A&M University, class of 1997. "I certainly value the education that I received from Texas A&M and the great connections I made there."

The 100 Aggie-owned or managed companies with the highest compound annual revenue growth from 2008 to 2010 were recognized at a formal luncheon in the Zone Club on the Texas A&M University campus, Friday, November 4, 2011. More than 600 honorees, employees, faculty, administrators and well-wishers were in attendance.

"Since the founding of Texas A&M University, Aggies have been leaving a legacy across all businesses and industries," said Dr. Richard H. Lester, Executive Director of the Mays Business School's Center for New Ventures and Entrepreneurship. "Over the last seven years, the Aggie 100 companies have continuously proven that even in tough economic times, solid business ideas and hard work pay off."
