Tejas Earns Small Business Award

A big congratulations to Tejas Office Products as the company was recognized at an April awards ceremony as a small business that supports the Jacobs ESCG contract. The distinction supports Jacobs ESCG's supplier diversity program and Tejas will be recognized in the category of operating supplies. "We're honored to be recognized by Jacobs and happy to support its supplier diversity needs," Tejas President **Stephen M. Fraga** said. "We, of course, appreciate the opportunity to work with Jacobs and provide its office supplies."
